Parting Blessing

Welcome Guests!

We are so glad you are here and hope you experience the warmth of both our congregation and God's love. There are greeters and ushers at both exits who will gladly answer your questions or guide you around our campus. If this is your first time worshiping with us, please speak with one of our greeters, who has a gift bag for you. It is our way of saying thank you for worshiping with us today.

Extending the Table Offering

March Mission Madness

March 5th

Once again, Advent UMC will be serving as the hands and feet of Christ again as our congregation serves together in missions across the Upstate on March 11th at March Mission Madness. This great day of service will include more than 30 different work sites and will share the love of Jesus Christ through giving our time, talents and hard work! Projects will range from individuals' homes that are in need of repair to working at local food banks.

The March Extending the Table Offering will all go to this great day of service. There is no charge to serve in this mission so the generosity of the congregation will provide the means to accomplish all that is planned. Please prayerfully consider giving this month to March Mission Madness!
