BREAKAWAY SPORTS BASKETBALL LEAGUE

Waiver of Responsibility and Liability

You bear the burden of responsibility for sportsmanship. Your influence upon the attitudes and behavior of your children is unequaled. This waiver will serve as a document of recognition of responsibility, on your part, to conduct yourself according to the following guidelines and principles.

You must ensure that your children are not part of any organized school team, either as a player or an alternate. School competition is defined as organized teams that have try-outs, regularly scheduled practices, and who play other school teams. This includes public / private systems, and all levels: varsity, junior varsity, or c-team/middle school. If it is found that eligibility rules have been broken, your child will be suspended for the rest of the season/tournament, and all their games will be forfeited.

We at the BSBL also understand that these are uncertain times we are living in. Your health, and the health of your family, is a primary concern of ours, but the desire to return to play is also very strong. As before, we will be playing games in several different locations. Each church gym will be posting the specific protocols for their individual location. Those policies will be made available to you onsite.

We ask and expect that you observe all protocols from gym to gym. For the duration of your stay in each church gym, please follow all protocols. Plan ahead by having your own water bottles available for drinking, and gather children as soon as the games are over and exit the facility in an orderly fashion.

It is your personal responsibility to stay home if sick or experiencing flu-like symptoms. It is also at your personal risk to attend and participate in a team / group activity with many other people within close proximity.

WAIVER * WAIVER * WAIVER * WAIVER * WAIVER * WAIVER

By signing below, I agree to the above Waiver of Responsibility and Liability
