

## **A Daily Prayer for the Discernment Process at Advent**

Almighty God,

You raised up Advent from the vision of a few to become the community of disciples that we are today. Through the years you have sustained and blessed us in good times and bad, and we have learned to trust you to guide us in every circumstance.

A challenge that we did not create has come to our door. And though we did not create it, we are now called to move through it. So, just as you have guided and sustained Advent in the past, we pray that you would guide and sustain us in this season. Grant us the grace, as members of the body of Christ, to face these days with the love, patience, and wisdom that will allow us to be a witness to the world around us as your faithful children.

Lead us in accordance with your will. Grant us peace as we trust that it will be so.

Amen.

## **A Brief Prayer for Advent**

Be with us at Advent, Lord. Grant us faith in you, charity toward one another, and a heart to seek your will above all else.

Amen.
